COMMERCE AND INDUSTRIES SECRETARIAT

Issues orders *re.* the purchase of Products of Government Industries.

CIRCULAR

No. CI 84 DSP 68, BANGALORE, DATED THE 4TH JANUARY 1969.

It has been brought to the notice of the Government that Government Departments are not purchasing their requirements from the State owned Industrial Concerns even though the products of these concerns are quite good in quality and serve the purpose for which they are required. There is a price preference of ten per cent in respect of the articles produced by the Government Industrial concerns. As far as possible Government Industrial units should be encouraged since their primary motto is service and the profits if any earned by them go to Government. It is, therefore, requested that all Government Departments should prefer the products of the State owned Industrial undertakings. If these products are not selected by Government Departments, reasons for the same should be recorded in writing.

The State owned companies and corporations are also hereby advised that the principles mentioned above may be followed, as far as possible, in making purchase of their requirements.
